

Regd. No. M.—1175

517

The Mysore Gazette

Vol. 73.]

PUBLISHED BY AUTHORITY.

[No. 20.]

BANGALORE THURSDAY, MAY 19, 1938.

PART IV.

Legislative Measures and Rules thereunder.

NOTIFICATIONS.

No. T. 3690—R. T. 10-37-40, dated Bangalore,
the 10th May 1938.

In exercise of the powers conferred on them by Section 11 of the Mysore Motor Vehicles Act 1928, the Government of His Highness the Maharaja are pleased to issue the following amendment to Rule 32 (ii) of the Rules regarding Public Service Motor Vehicles issued with Notification No. P. 3992—Legis. 46-35, dated 18th December 1935 as amended from time to time (*vide* page 90 of the Mysore Motor Manual 1938) the draft amendment in the said behalf having already been published with Notification No. T. 2918—R. T. 10-37-27, dated 16th March 1938 at page 55 of Part IV of the *Mysore Gazette*, dated the 17th March 1938.

AMENDMENT.

The following rule shall be substituted for Rule 32 (ii) of the Rules regarding Public Service Motor Vehicles:—

- 32 (ii) Permit-holders shall maintain additional vehicles as spares for the running of relief services in cases of break-down of vehicles used on regular service or in other emergencies, on the scale of one spare bus for every five buses used on regular services.

518

Permit-holders maintaining less than five buses are exempt from maintaining a spare bus but they should make proper arrangements for purposes of relief in emergencies. The licenses of such permit-holders shall be cancelled in case of default of the aforesaid condition."

No. T. 3715—R. T. 9-37-26, dated Bangalore,
the 12th May 1938.

In exercise of the powers conferred on them by Sections 13 and 22 of the Mysore Road Traffic and Taxes Act VI of 1935, the Government of His Highness the Maharaja are pleased to exempt the Yuvaraja of Jind from payment of all taxes and tolls under the said Act and also all tolls due under the Municipal Acts in respect of his motor vehicles during the period of his present stay in Mysore State.

By Order,

M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

No. G. 9002—P. H. 44-37-18, dated Bangalore,
the 11th May 1938.

Under Section 90 of the Mysore Prevention of Adulteration Act IX of 1921 as amended by Acts IV of 1929 and IV of 1930, Government propose to make the rules issued in Notification No. G. 2463—Sany. 61-30-7, dated the 22nd September 1931 (annexed hereto) applicable to the Mandya Town Municipality. Any objections to this proposal, if made in writing and received on or before the 1st June 1938, will be duly considered.

By Order,

P. H. KRISHNA RAO,
Secretary to Government,
Local-Self Government Department.

Rules under the Mysore Prevention of Adulteration Act.

1. In these rules, "Act" means the Mysore Prevention of Adulteration Act, IX of 1921.

"Section" means section of the above Act.

Section 3.—

2. The officer to whom the local executive officer may delegate his powers shall be of the rank of a Health Officer or shall hold the diploma of Public Health. No legal proceedings under the Act shall be instituted without the permission in writing of the President or the Commissioner, as the case may be.

Section 20 (b).—

3. The area within which the local executive officer of a Municipal Council shall exercise powers shall be the Municipal limits of the place.

Section 20 (c).—

4. *Cleanliness of Vessels.*—All vessels, receptacles or utensils used for manufacturing or preparing food or containing any food intended for sale shall be cleansed with clean boiling water before and after use and shall be kept in a constant state of cleanliness. In case of food likely to be acted upon by the metal of the vessels, receptacles or utensils in which the food is manufactured, prepared or contained for purposes of sale, precautions shall be taken to prevent such metallic contamination.

Section 20 (d).—

5. *How notice of Admixture, Addition or Deficiency shall be given.*—If the vendor of any article intended for food knows that it is admixed with any foreign substance whatsoever or that any component part has been abstracted therefrom, he shall give due notice of such admixture or abstraction by means of distinct and clear labels in Kannada or in any other language likely to be read and understood by the people, affixed conspicuously on each package or receptacle containing the article. Unless the vendor of any food containing an admixture, addition or deficiency, knows of his own knowledge, that the purchaser is able to read and understand the label, he shall give the purchaser the information contained in the label by word of mouth at the time of purchase.

520

Section 20 (e).—

6. The standards of purity prescribed for milk, cream, butter and ghee are as follows :—

Milk.—

Cow's Milk.—(1) Where a sample of cow's milk (not being sold as skimmed or separated milk), contains less than three per cent of milk-fat, it shall be presumed for the purposes of this Act, until the contrary be proved, that the milk is not genuine, by reason of the abstraction therefrom of milk-fat or the addition thereto of water.

(2) When a sample of cow's milk or any skimmed or separated cow's milk contains less than 8·5 per cent of milk-solids other than milk-fat, it shall be presumed for the purposes of this Act, until the contrary be proved that the milk is not genuine by reason of the addition thereto of water.

(3) When a sample of cow's milk, whether sold as cow's milk or as skimmed or separated cow's milk, contains less than 0·5 per cent of nitrogen, it shall be presumed for the purposes of this Act, until the contrary be proved, that the milk is not genuine by reason of the addition thereto of water.

Buffalo Milk.—(4) Where a sample of buffalo milk (not being sold as skimmed or separated milk), contains less than 4·5 per cent of milk-fat, it shall be presumed for the purposes of this Act, until the contrary be proved, that the milk is not genuine by reason of the abstraction therefrom of milk-fat or the addition thereto of water.

(5) Where a sample of buffalo milk, whether sold as buffalo milk, or as skimmed or separated buffalo milk, contains less than nine per cent of milk-solids other than milk-fat, it shall be presumed for the purposes of this Act, until the contrary be proved, that the sample is not genuine by reason of the addition thereto of water.

(6) Where a sample of buffalo milk, whether sold as buffalo milk or as skimmed or separated buffalo milk, contains less than 0·53 per cent of nitrogen, it shall be presumed for the purposes of this Act, until the contrary be proved, that the sample is not genuine by reason of the addition thereto of water.

N. B.—The minimum limits for nitrogen prescribed above under (3) and (6) are intended to be used in those cases in which a sample

of milk when it is analysed, is so far decomposed that an estimation of the proportion of milk-solids other than milk-fat in the sample before decomposition will be unreliable, the proportion of nitrogen not being appreciably affected by decomposition.

Unspecified Milk.—(7) Where a sample of milk, separated milk or skimmed milk, is sold or offered for sale or hawked about, without any indication as to whether it is derived from the cow or the buffalo and by comparison with the minimum limits given for the cow's milk in the above, it appears to be adulterated, it shall be presumed for the purposes of this Act, until the contrary be proved, that the sample is not genuine for the reason given in the above rule or rules which are applicable.

Maximum limit for Dirt in Milk.—(8) Where a sample of milk separated or skimmed milk, deposits, on standing for a period of 24 hours or less, an amount of visible sediment exceeding five parts per 100,000 (both milk and sediment being measured by volume), it shall be presumed for the purposes of this Act, until the contrary be proved, that the sample is not genuine by reason of its containing an excessive amount of dirt.

Cream.—(9) Where a sample of cream contains less than 20 per cent of milk-fat, it shall be presumed for the purposes of this Act, until the contrary be proved, that the sample is not genuine.

Butter.—(10) Where the proportion of water in a sample of butter exceeds 20 per cent, it shall be presumed for the purposes of this Act, until the contrary be proved, that the butter is not genuine by reason of the excessive amount of water therein.

Ghee.—(11) Where the proportion of water in a sample of ghee exceeds one per cent, it shall be presumed for the purposes of this Act, until the contrary be proved, that the ghee is not genuine by reason of the excessive amount of water therein.

Section 20 (f).—

7. (1) No person shall add water or any dried or condensed milk or any fluid reconstituted therefrom or any skimmed milk or separated milk to milk intended for sale, and no person shall, by himself or by any servant or agent, sell or offer for sale or hawk about, any milk to which any such addition has been made.

(2) No person shall abstract any ingredient from milk, without giving due notice of the same, in an

unambiguous manner, of the fact of such abstraction therefrom, as prescribed in rules under Section 20 (d).

(3) No person either by himself or any servant or agent, shall sell or offer for sale or hawk about, as milk, any liquid in the making of which dried milk or condensed milk has been used or to which water or other diluent or adulterant has been added or from which any ingredient has been abstracted, without due notice of the same to the purchaser as prescribed in rule under Section 20 (d).

Section 20 (g).—

8. Any receptacle containing dried, condensed, skimmed or separated milk shall be labelled with an adhesive label which shall contain the information and be of the size indicated below. The information shall be in black type, printed or written in the centre of the label, which shall be of white colour. Nothing else shall be printed or written on the label, except the name of the article. The label shall be clearly visible to the purchaser and shall measure at least 2"×4" where only Kannada is used or at least 4"×4" where more than one language is employed.

Section 20 (h).—

9. (1) Any person taking a sample of milk for the purposes of this Act may add a preservative for the purpose of retaining the sample in a condition convenient for analytical purposes.

(2) The preservative used shall be the liquid commonly known as "formalin" which is a liquid containing about 40 per cent of formaldehyde in aqueous solution.

(3) The amount of preservative added shall be approximately in proportion of one drop of formalin for every 2 oz. of the sample of milk.

(4) Each sample of milk to which formalin has been added by the person taking the sample shall bear a notification on the label to the effect that it has been "artificially preserved."

(5) For the purposes of this rule, milk includes skimmed and separated milk.

10. *Penalty for breach of Rules.*—Every manufacturer or dealer or vendor who—(a) disobeys, fails to comply with or acts in contravention of the provisions made under Rule 4 herein, in respect of cleanliness of vessels,

receptacles or utensils used for manufacturing, preparing or containing any food intended for sale, or (b) neglects to affix labels to notify in the manner prescribed, the fact of the admixture of foreign ingredients in the case of adulterated articles of food or abstraction of any component part therefrom of any article of food; or (c) fails to give the purchaser, in cases mentioned in Rule 5, information contained in such labels by word of mouth at the time of purchase, or (d) manufactures, deals in or sells milk, cream, butter or ghee below the standard prescribed in Rule 6 above shall, on conviction before a magistrate, be punished with a fine not exceeding Rs. 50 and with a fine which may extend to Rs. 50 for every subsequent offence.

No. G. 8989—P. H. 44-37-19, dated Bangalore,
the 11th May 1938.

Under Section 20 of the Mysore Prevention of Adulteration Act, IX of 1921, as amended from time to time, Government are pleased to extend to the Bhadravati New Town Board Area the following rules issued with Government Notification No. G. 2463—San. 61-30-7, dated 22nd September 1931:—

By Order,

P. H. KRISHNA RAO,
Secretary to Government,
Local Self-Government Department.

Rules under the Mysore Prevention of Adulteration Act.

1. In these rules, "Act" means the Mysore Prevention of Adulteration Act IX of 1921.

"Section" means section of the above Act.

Section 3.—

2. The officer to whom the local executive officer may delegate his powers shall be of the rank of a Health Officer or shall hold the diploma of Public Health. No legal proceedings under the Act shall be instituted
